Do I qualify for no-cost cancer screenings and navigation support?

Yes – if you meet the following criteria:

1. Age:

Cervical cancer screening (Pap test): 21 to 64.

Breast cancer screening (mammogram): 40 to 64.

You can also get help if you're younger than 40 and are having symptoms.

2. Income: Your household income must be at or below 250% of the Federal Poverty Level.

3. Insurance Status:

- Uninsured – You can get screenings and navigation support.
- Insured – You can get navigation support. If a needed diagnostic service is not covered by your insurance or you can't afford your co-pay/deductible, LBCHP can help.

Where can I get screened?

We have partner providers located around the state!
